

FOR IMMEDIATE RELEASE

 **CANCER RESEARCH
AWARENESS WEEK**

MAY 27 - JUNE 2, 2018

REAL BODIES THE EXHIBITION

Supports Cancer Research Awareness Week

27th May – 2nd June 2018

Hosting BARBECURE BBQ on SATURDAY 2 JUNE 11am – 2pm

Plus all visitors will receive 15% Discount off all tickets throughout June

Real Bodies The Exhibition has joined forces with Cure Cancer Australia as part of **Cancer Research Awareness Week** - a national awareness week designed to draw attention to the importance of funding young, innovative cancer researchers across Australia.

Real Bodies The Exhibition is hosting a BARBECURE BBQ on **SATURDAY 2 JUNE** from 11am to 2pm. Businesses in the EQ have come onboard and will be taking donations for **CANCER RESEARCH AWARENESS WEEK**. **Real Bodies The Exhibition** is also offering a discount of 15% off all tickets throughout June.

Real Bodies The Exhibition explores life by displaying 20 real, perfectly preserved human bodies and over 200 anatomical specimens.

Through a compelling narrative that contemplates both the wondrous mystery of the human anatomy and the philosophical realities of birth, life and death, **Real Bodies The Exhibition** will connect audiences to a deeper sense of what it means to be alive.
